

## Pledge of commitment

On behalf of Sprites Primary Academy I pledge our support to Young Carers and their Families.

I commit to working with Suffolk Young Carers to achieve the standards set out in the Schools Award. I agree that through working with Suffolk Young carers will aim to reach these standards by taking the following action.

### Leadership and Management

We will implement a school policy that includes Young Carers and identify a key member of staff as our designated school Lead for Young Carers. Our commitment to Young Carers will be monitored by senior managers at our school.

### Identification and assessment of individual need

We will strive to identify Young Carers who attend our school and where appropriate refer them to Suffolk Young Carers. We will offer support to all Young Carers who attend our school regardless of their caring role.

### Developing provision to meet need

We will put in to place processes and protocols to ensure that we provide the best support we can for Young Carers both as individuals and as part of a wider group.

### Young Carer involvement

We will engage with our Young Carers and actively seek to involve them in the decisions surrounding the support we offer them.

### Management systems, monitoring and evaluation

We will use the standards set out in the award to continually improve our support for Young Carers and use the folder to form part of our own self-assessment.
